

A TIFR Advanced Programme in Physics for women students in first-year M. Sc.

VV 2021 (Physics)

Tata Institute of Fundamental Research (TIFR), Mumbai, and Homi Bhabha Centre for Science Education (HBCSE) are organizing an online summer school in physics for women students enrolled in 1st year of a M. Sc. course in physics, or 4th year of an integrated B.Sc-M.Sc programme in physics, from **31st May to 19th June, 2021**. The programme will aim to provide the students with an exposure to advanced research topics and opportunities. The students in this school will also get the opportunity to be taught, inspired and mentored by eminent women scientists.

- Three-week online summer school
- Courses in contemporary theoretical and experimental physics
- Lectures by eminent women scientists
- Interactive mentoring sessions
- Introduction to physics education research

- Eligibility: **Women students enrolled in 1st year of M.Sc., or 4th year of integrated B.Sc-M.Sc. programme in Physics**
- Students enrolled in Integrated M.Sc-Phd programmes are not eligible
- Dates: **31st May - 19th June, 2021**
- Application Deadline: **15th April 2021**
