VV2022 (PHYSICS)

**A TIFR Advanced Programme in Physics
for women students in first-year M.Sc.**

Tata Institute of Fundamental Research (TIFR), Mumbai, and Homi Bhabha Centre for Science Education (HBCSE-TIFR) are organizing a summer school in physics for women students enrolled in 1st year of an M.Sc. course in physics, or 4th year of an integrated B.Sc-M.Sc programme in physics. **The VV2022 (Physics) programme will be in two parts: online (5 July – 16 July) and on-site (22 July – 1 August).** It will aim to provide the students with an exposure to advanced research topics and opportunities. The students will also get the opportunity to be taught, inspired and mentored by eminent women scientists.

- ❖ Online + On-site summer school
- ❖ Online: 5 July – 16 July, 2022
- ❖ On-site: 22 July – 1 August, 2022
- ❖ Courses in contemporary theoretical and experimental physics
- ❖ Lectures by eminent women scientists
- ❖ Interactive mentoring sessions.
- ❖ Intro to Physics Education Research

- ❖ Eligibility: **Women students enrolled in**
 - 1st year of M.Sc. (Physics) or
 - 4th year of integrated B.Sc-M.Sc (Physics)
 - Students enrolled in Integrated M.Sc-PhD programmes not eligible
- ❖ Travel support and on-campus accommodation at HBCSE, Mumbai
- ❖ Application deadline: **12 May 2022**
