VV2026 (Physics)

A TIFR Advanced Programme in Physics
for women students in first-year M.Sc.

Tata Institute of Fundamental Research (TIFR), Mumbai, and Homi Bhabha Centre for Science Education (HBCSE-TIFR) are organizing a summer school in physics for women students enrolled in the 1st year of an M.Sc. course in physics, 4th year of a B.S./ B.Sc. (Physics) course, or 4th year of an integrated B.Sc.-M.Sc. programme in physics. It will provide an exposure to advanced research topics and opportunities for students to embark on a career in physics. An unique opportunity to be taught, inspired and mentored by eminent women scientists.

- Advanced physics summer school
- Courses in contemporary theoretical and experimental physics
- Innovative experiments
- Lectures by eminent women scientists
- Interactive mentoring sessions
- Intro to Physics Education Research
- **Financial support for travel and stay**

Application Deadline:

12 Mar, 2026

Programme Dates:

25 May - 13 June

📍 Venue:

HBCSE-TIFR, Mumbai

**SCAN HERE
TO APPLY**

Eligibility:

Women students enrolled in

- 1st yr of M.Sc. (Physics), or
- 4th yr of B.S. / B.Sc. (Physics), or
- 4th yr of Integrated B.Sc.-M.Sc. (Physics)

Students enrolled in Integrated M.Sc-Phd programmes are not eligible.

**Tata Institute of
Fundamental Research**
